Dear Bud,

After we last met I wrote Jerry a pretty stiff letter.

His reply is enclosed with my response to it.

It is not at all consistent with what Jimmy wrote.

Or with anything else except Ray deviousness.

We'll have to wait and see if it is as he says -twice.

My suspicion is that he had to wait to hear before he wrote.

Jim has probably told you what this says. I phoned him when I got home and found it here.

I was in New York. It is impossible to replace my pictures used during the evidentiary hearing now except from other and inaccessible sources and the copies that were used. I now need them. I discussed this with Jim today.

Sincerely,
